

Finding contentment...

1. Humble before the Lord (v1)

- Not arrogantly demanding answers, as though entitled
- But humbly accepting his limits, trusting God for the rest

2. Content in Life (v2)

- his humble trust means he's quieted & calmed his soul
- and is content, like a well-fed infant

3. Hope in the Lord (v3)

- To hope in = to humbly trust in, depend on, rest in (like David)
- both now for contentment, and for all of life!

→ It's not often easy to fully leave it with God, is it?

→ But In Christ we have:

- a greater example to inspire us
- a greater strength to help us
- a greater reason to encourage us

→ So when things don't make sense to you along your journey in life,

- pray for humility to accept

- and fully hope in the Lord

***May we fully hope in God,
that we may find contentment in life!***
