

'Faith & Thanks'
Luke 17:11-19

Actions expose faith...

1. **The actions of Jesus (v11)**
 - show his round-about way to Jerusalem
 - so he can preach, that people have saving faith in him

2. **The actions of the lepers (v12-14)**
 - highlight their plight – 'stood at a distance'
 - show their 'superficial' faith in Jesus as a master of healing

3. **The actions of the Samaritan (v15-19)**
 - returns praising, falling and thanking
 - shows his 'saving' faith in Jesus, as Messiah who saves

Are we like the Samaritan?

→ Do you rightly recognise Jesus,
as the Messiah (Christ/King) who saves?

→ Are we rightly responding to Jesus,
- falling before him in life?
- thanking him for life?

→ What do your actions show about your faith?

**May our actions towards Jesus,
show our saving faith in Jesus!**
